

Dear Family and Friends:

We are grateful to God for his faithfulness and grace on us, Grace Covenant Church Brookland.

Our story begins in 1999 in the basement of two of our leaders and friends' home. With just 14 members, we planted Grace Covenant Church Brookland (then known as City of Light) under the guidance of our parent church in Chantilly, Virginia (Grace Covenant Church Chantilly). Throughout the years, we have had many temporary homes in the Washington, DC area - an elementary school, a YMCA, National Baptist Memorial Church on 16th street, nearly 10 years at Regal Cinema Gallery Place Chinatown, and a Westin hotel. But at the right time, God opened the door for a permanent building. After twenty years of ministry, we successfully purchased our current and permanent building at 3100 18th Street, NE at the start of 2020.

As Grace Covenant Church Brookland, our vision and goal is to be a great and powerful people, with a heart for God & God's heart for people. As a multi-ethnic, multi-generational community of Christ followers in Northeast Washington, DC, we desire to see this city won to Jesus Christ! This vision is bigger than us... but the property that God has given us, will indeed help us to play our part in it all!

Please join us in winning Washington DC for the Kingdom, by partnering in the **Building To Win The City (BTWTC) campaign**. We prayerfully and expectantly look forward to a mighty move of God, demonstrated in this building campaign. To date we have had the incredible generosity and support from Grace Covenant Brookland members and friends. Our renovation goal includes new space for our children, meeting areas, systems upgrades, and more. God has given us "Vision beyond our resources". That excites us because it allows us to trust not in our resources but in Him as our divine source! We hope you will trust Him with us in this way by partnering with us financially, putting into practice the words of Jesus to his followers, "For where your treasure is, there your heart will be also." (Luke 12:34)

We cannot complete this work without God's grace and your support, prayers and commitment. We understand that not everyone will be able to give financially at this time, nevertheless we hope you will consider spreading the word to your networks, friends and family! To become more familiar with who we are and our mission, please visit our website www.gracecovdc.org. You'll note, there are plenty of ways you and friends can get involved and be a part of the Grace Covenant Church Brookland community.

God Bless!
